

Dear Parents/Guardians,

We are running a "Free Book for your club" fundraising campaign with a publishing company. They will make a FREE personalised book for our club. Featuring faces and names of the whole team, Manager and Coach, "The Cup Final" is a thrilling end to end action packed match with our team coming out on top. It's a unique gift, a fundraising keepsake and a wonderful way to capture those early playing years.

1. If you wish your child to be included you need not do anything.
2. If you don't wish your child to be included in the book please let us know BEFORE

NOTE: You are only giving your authorisation for your child to be/not be featured in the book. There is NO OBLIGATION for you to buy a copy.

When our free book arrives you can view it and will have the opportunity to purchase your own copy for just £13.95 - £1.00 will be donated to our club.

Can't get the kids to read a book- well no more- they won't be able to put this one down!!! This is a truly unique keepsake and a wonderful way to capture those early playing years.

You can visit Saronti's website at www.saronti.com for an example of the book and more fun stuff...
