For the soccer sevens teams U6 - U10's

The rest of the team stand holding their breath, Player11 places the ball and looks up at the ref. PEEP! goes the whistle, he hits the ball square, it's on target for goal as it sails through the air. The keeper dives but it's over the line, just as well 'coz the ref blows for full time.

Featuring faces & names of the whole team, Manager and coach

Featuring faces and names of the whole team, Manager and Coach, this book is a thrilling end to end action packed match with your team coming out on top. It's a unique gift, a fundraising keepsake and a wonderful way to capture those early playing years. You can include your teams badge on the kit tops- and if you don't have a badge we'll make one for you.

How it works? Simple.

1. **Take photos** of the players, manager and coach using a digital camera.
2. **If necessary, get parent's authorisation for their child's face to be featured in the book.** A sample authorisation form is available at:

www.saronti.com/docs/UKFoot_ParentsAuthorisation.pdf

3. **Fill in the "Listing" form.** This is to ensure we make no spelling mistakes and no-one is forgotten. Download the form at: www.saronti.com/docs/UK_FootListing.xls and email it back to us at footyclubs@saronti.com

4. **Send photos** - zip all the photos into one zip folder and send them using free file sharing site www.yousendit.com
